

Shop The Beautiful Wedding Bands Collections

Dejaun Jewelers has a beautiful wedding band selection unmatched by any competitor. With three convenient locations in California, Dejaun Jewelers is synonymous with quality and beauty in jewelry, whether customers are seeking a lovely watch or a timeless wedding band. The first Dejaun Jewelers location opened in Westlake California in 1985 by Mike and Jack Maralian and quickly became extremely successful, being recognized as “the premier destination watch and jewelry emporium” in the region. Like their parents and grandparents before them, the Maralian brothers found incredible success in the jewelry business and within 12 years, they had added three more locations, in Sherman Oaks, Thousand Oaks, and Topanga Plaza. While they were initially primarily known for their beautiful Swiss timepieces, as the years have passed, Dejaun Jewelers has also become famous for providing excellent customer service when purchasing any kind of jewelry, from necklaces to bracelets to rings, whether engagement rings or wedding bands are what is being sought after.

Dejaun Jewelers stocks an incredible array of wedding bands. A quick perusal of their website shows over seven hundred and fifty different [wedding bands](#) to choose from! Dejaun is an authorized retailer of well known brands like Benchmark, Furrer Jacot, and Hearts On Fire, names that are sure to be recognized by anyone who has recently shopped for wedding bands.

Dejaun Jewelers has so many different wedding bands to choose from that it is almost overwhelming, but Dejaun staff are specially trained and qualified to assist any customer in finding the perfect wedding band. Dejaun has styles that can fit any taste, ranging from gaudy diamond covered numbers that are thick and sit heavily on the hand to more simplified, elegant plain bands, including some from their beautiful Benchmark Cobalt line. Both men and women are sure to find whatever sort of wedding bands they desire at Dejaun Jewelers. Dejaun prides itself on offering rose gold, white gold, and yellow gold in fourteen karats, plus eighteen karat varieties of red gold, rose gold, white gold, and yellow gold. Also available are the harder to find ceramic, cobalt, palladium, platinum, platinum 950, silver, and titanium. Customers can choose from black diamond, diamond, sapphire, or a plain band without a stone. Whatever type of wedding band you choose to purchase, you can't go wrong with Dejaun Jewelers. As evidenced by their enormous selection of positive reviews on a variety of websites, Dejaun strives to make sure all customers leave satisfied.
